

My Wildfire Preparedness Plan

PREPARED FOR

Jordan

CREATED

10/5/2026

01 HOME PROTECTION

AREAS TO CHECK OR IMPROVE

Roof

May need attention

Ask a contractor whether roofing materials meet wildfire recommendations.

Vent

Not sure

Check ember-resistant vent screens.

ALREADY ASSESSED

Probably okay

Window

FIRST ACTION

Vent

WHEN

This week

02 LANDSCAPE PROTECTION

AREAS TO CHECK OR IMPROVE

Grass and weeds

May need attention

Trim long grass and remove dry weeds near the home.

02 LANDSCAPE PROTECTION / CONTINUED

Firewood and combustible materials

Move wood piles away from the exterior walls.

Not sure

ALREADY ASSESSED

Probably okay

Driveway and emergency access

FIRST ACTION	WHEN
Grass and weeds	This month

03 EVACUATION ROUTES

01 / PRIMARY ROUTE

Oak Street to the main road

Destination: Community center

02 / BACKUP ROUTE

Pine Avenue via the east exit

Destination: Town library

CONTINGENCY & PRACTICE

If primary is blocked	Use the backup route
Shared bottleneck	No
Practice timeframe	This week

04 FAMILY MEETING PLAN

01 / NEAR HOME

Neighborhood mailboxes

For an emergency when staying nearby is safe

02 / OUTSIDE NEIGHBORHOOD

Town library parking lot

For an evacuation or when returning home is unsafe

HOUSEHOLD READINESS

If neighborhood evacuated	Use the outside-neighborhood place
Everyone knows how to get there	Not sure
Out-of-area contact	Alex
Review timeframe	This month
